Dear Community Supporter,

Florida ranks third in the country for calls of suspected human trafficking to the National Human Trafficking Hotline. In 2022, over 2,000 victims were identified within the state. But as we know, human trafficking remains a hidden crime.

Human trafficking involves the use of force, fraud, or coercion to obtain some type of labor or commercial sex act. Human trafficking (or modern-day slavery) is the second largest global industry – behind illegal drug trafficking – and enslaves tens of millions of women, children, and men worldwide. It can happen in any community and victims can be any age, race, gender, or nationality.

The Florida Alliance to End Human Trafficking is a nonprofit organization that was created to provide funding, support, and assistance to the statewide effort to end human trafficking.

On Friday, May 17, 2024, the Florida Alliance to End Human Trafficking will host A Night of Hope and Healing at The Breakers Palm Beach which will recognize champions in the fight against exploitation and provide opportunities to be part of the solution and prevention of this horrific crime.

We hope you will consider being part of this special evening.

Sincerely,

Organization Overview

Florida Alliance to End Human Trafficking is a nonprofit organization created by the Florida Legislature in 2019 to provide funding, support and assistance to the statewide effort to end human trafficking. It is the direct support organization to the Statewide Council on Human Trafficking.

Event Overview

A Night of Hope and Healing is a formal dinner gala that will recognize champions in the fight against exploitation and provide opportunities to be part of the solution and prevention of this horrific crime.

It will also include a silent and live auction featuring national and luxury brands.

The funds raised during the event will ensure the Florida Alliance is able to continue statewide awareness and education efforts along with providing grants to support law enforcement.

2023 A Night of Hope and Healing

The Florida Alliance to End Human Trafficking hosted A Night of Hope and Healing on May 16, 2023 at The Breakers in Palm Beach.

Florida Attorney General Ashley Moody served as the keynote speaker and shared her efforts to end abuse and exploitation in the state.

Florida House of Representatives Speaker Paul Renner also provided remarks about protecting vulnerable individuals and supporting increased awareness and education.

The following individuals were recognized as the 2023 Hope Award recipients: PGT Innovations - Trailblazer, Representative Toby Overdorf - Elected Leader of the Year, and Maggie Overdorf - Unsung Hero.

The Hope Awards are given to an individual(s), business, or program that has demonstrated a consistent and inspiring message of hope to survivors of trauma and exploitation. The Florida Alliance's goal is to recognize the efforts of individuals and businesses in our communities who are working to support those impacted directly by human trafficking. The Florida Alliance honors those who selflessly give of their time and talents to work to end human trafficking in our state.
